CAMERON ALEXANDER,)	ORDER

Defendant.)	

This matter is before the court on defendant, Cameron Alexander's Unopposed Motion to Continue Trial [122]. Counsel needs additional time to complete plea negotiations or to prepare for trial. The court has been advised that co-defendants do not object to the motion. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [122] is granted, as follows:

1. The jury trial, **as to all defendants**, now set for December 6, 2022, is continued to **February 7, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendants in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and February 7, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(6), (7)(A) & (B)(iv).
